

NICOLAS MATHIS

I am a highly experienced Civil Works and Construction Manager, who is accomplished at an international level involving work in remote and volatile terrains. Throughout my career I have amassed a wealth of knowledge in managing multi-million-dollar projects. My communication and language skills, provide me with the foundation to create and maintain strong professional relationships with colleagues and stakeholders alike.

As a strong leader, I can motivate and mentor a team to achieve their personal and professional objectives. I am accustomed to working on numerous work streams simultaneously, and can schedule tasks in accordance with their priority and designated timescales. My interpersonal skills allow me to adapt easily to new working environments.
